

**ANNUAL
FINANCIAL
REPORTS**

**of the Thirty-three Synods of the
Evangelical and Reformed Church**

**ISSUED BY THE
TREASURER**

F. A. KECK

1958

To the Pastors and Congregations of the
Evangelical and Reformed Church:

Considering the economic conditions of the first half of the year 1958, I am very pleased to be able to report that, while the increase in Apportionment giving during the second year of the triennium was not up to past years, it did result in an increase of \$64,374.67.

For the seventeenth year in succession the Evangelical and Reformed Church has increased its contributions toward the Apportionment. Six synods passed their goal in 1958, and three additional synods contributed between 97% and 100% of their goal, therefore, we look forward with confidence to another increase in 1959.

As to World Service, while the \$600,000.00 goal was passed as in former years, the decrease for 1958 amounted to around \$5,000.00, notwithstanding the fact that twenty-three synods contributed more than their 1958 goals.

As you will note from the following pages there is room for much improvement in the lower part of the list, and we do hope that many of these synods will show substantial increases in 1959. Only by working together can we hope to reach our goal in the Kingdom service of the Church.

F. A. Keck, Treasurer
